

Health and Safety Policy

ArcelorMittal

Our commitment to the Health and Safety of all employees both on and off the job is a clear component of our brand promise to 'transform tomorrow'.

ArcelorMittal Kent Wire Limited

We will work vigorously towards a goal of zero accidents and injuries. To achieve this we will:

We believe in the following principles to guide our actions:

All injuries and work related illnesses can and must be prevented.

Management is accountable for the Health and Safety performance.

Communication, involvement and training of all employees are essential in Health and Safety excellence.

Everyone has a role to play in preventing injuries and illness.

Excellence in Health and Safety supports excellent business results.

Health and Safety must be integrated into all business management processes.

1. Identify, evaluate and eliminate Health and Safety risks to ensure that hazards are managed.
2. Establish an effective process for preventing all injuries and work related illnesses.
3. Build a supportive culture that requires visible leadership with clear accountability.
4. Provide everyone with effective training so that we are all able to work safely.
5. Investigate all incidents in order to prevent recurrence.
6. Establish a culture where work will be stopped if it is unsafe.
7. Establish measureable objectives to monitor progress through regular audits and reporting.
8. Comply fully with all legal requirements and meet or exceed those expectations.
9. Update and test emergency procedures.

The success of this policy requires the involvement and commitment of everyone working for and with us.
